ANNOUNCEMENT.

We are authorized to announce.

BRUCE W. LEE, JR.

candidate for the office of Circuit Court Clerk.

The Mississippi Legislature has

adjourned after a close race with

the bill to amend which would peder

out first.

Capt. Pink Varble, who had been for

40 years a pilot on the Ohio and Miss

issippi rivers, died at Louisville Sat

urday, aged 62 years.

Hon. John W. Lockett has published

a card declining to enter the race for

Congress. It begins to look like the

only entries will be Ellis, McKenzie

and Spaulding.

Unless all signs fail Judge Peter

Turner is going to be Tennessee's

next Governor. Gov. Buchanan, who

is seeking a renomination, seems to be

pulling too hard to last till the string

is reached.

The Crab Orchard Springs property,

in Lincoln county, has been sold to

a syndicate who will convert it into a

Keely Institute for the cure of drunk

enness with the bi-chloride of gold

treatment. The price paid was \$100,

000.

The State of Rhode Island is only

a little larger than Christian county,

but the eyes of the whole country are

fixed upon her to-day. An election is

taking place and the Republicans are

seared out of their boots. Nothing

but money and a barrel of oil can save

them from losing the state.

Bob Morningstar will attend the

National Press Association meeting in

San Francisco and will be unable to

take part in the annual performance

of the Boonborough Quartet at Lex

ington. Arnold, Dobbs and Rucker

had better fill the vacancy and notify

Interlocutor Johnson at once.

An agreement has been reached by

which Mr. Gilmer M. Bell declines to

become a candidate for district dele

gate and Christian county's delega

tion will be instructed for Chas. M.

Meacham without contest. For the

purpose of appointing delegates a

convention will be held at the

Court House May 14.

At the coming meeting of the

Grand Lodge of the order of K. of

P. to be held in Kansas City, our

townsman, W. W. Blackwell, will be

elected to the position of Supreme

Grand Chancellor, the highest office

in the gift of the order, and pays an

annual salary of \$5,000. Think of it.

Mr. Blackwell will draw a salary

equal to that of the governor.—Hend

erson Gleaner.

The Murray Ledger makes this an

announcement, which is of interest to

the new third judicial district, pro

vided Tom Pettit does not defeat the

proposed work of the redistricting

committee: "In the event that

Calloway county is placed with the

counties across the river in the for

mation of a district, Mr. Thos. P.

Cook, of this county, will be in the

race for circuit judge, and he will

cross over the river, too, with a solid

vote for Calloway county."

Judge W. P. D. Bush, formerly of

the Kentucky Appellate Court, has

recently won a case in that court that

netted him a fee of \$33,000, by far the

largest ever received by a lawyer in a

Kentucky case. The fee was paid him

for services in the case of Hardin

county against the L. & N. railroad.

It is said that Senator Carlisle and

Hon. Isaac Caldwell during their

practices have been paid a fee as high

as \$20,000, but nothing like the sum

paid Judge Bush has ever been heard

of in Kentucky.—Henderson Gleaner.

An oratorical contest was held at

Georgetown Friday night between

representatives of three Central Ken

tucky colleges. The contestants were

PRECINCT CONVENTIONS APRIL 30.

A Full Meeting of the County Committee Yesterday.

Fifteen of the 27 members of the

Democratic County Committee were

present yesterday, and 3 others were

represented by proxies. But one va

cancy was found to exist and that

was caused by the resignation of R.

J. Carothers in Lafayette precinct.

C. B. Fraser was recommended for

the vacancy.

A discussion upon the subject of

free silver was engaged in by the

members and at the conclusion a

vote was taken to ascertain the senti

ment of the committee on the ques

tion. It showed 13 votes for free sil

ver and none against. Two members

declined to vote.

PRECINCT CONVENTIONS.

Upon motion of Esq. Barker pre

cinct conventions were ordered for

April 30, in all the precincts of the

county.

Following is the official call:

Pursuant to the action of the

State Central Committee, a delegate

convention is hereby called to meet

at the court house in Hopkinsville at

2 p. m. on Saturday, May 14, to se

lect and instruct delegates to the

State and District conventions to be

held at Louisville, May 25. For the

purpose of choosing delegates to the

county convention, precinct conven

tions are hereby ordered to be held

at the respective voting places of the

county at 2 o'clock p. m. on Saturday

April 30, 1892. The precinct conven

tions will be called to order by the

precinct committeeman, or by some

person designated by him, or by

some other Democrat if the commit

teeman or his representative be not

present.

All voters who claim allegi

ance with the Democratic party and

expect to affiliate with it in the fu

ture are entitled to participate in the

precinct conventions.

The delegate vote of each precinct

will be one vote for each 20 or frac

tion over 10 votes cast for Governor in 1891,

and is herewith given:

By order of the Democratic Exec

utive Committee of Christian county,

this April 4, 1892.

CHAS. M. MEACHAM, Chairman.

GEO. D. DALTON, Sec'y.

The medical fraternity, backed up

by carefully compiled statistics, is

almost a unit in declaring that a

moderate use of stimulants conduces

to long life. It is also admitted

that old whiskey is by far the best

stimulant that can be used. Leading

physicians recommend the L. W. Har

per Whiskey, because it is pure, pos

sessed of a superior flavor and bou

quet, and is not offered for sale until it is

old and thoroughly matured. Sold by

The Square.

THE SQUARE KY., MAR. 22, 1892.

Mr. M. A. Mason has sold a colt, to

be delivered at noon time, out of Lu

is Cobb by Ray Gordon for \$250

cash.

We have a new way to boom a

town, a way that is sure to succeed,

in other words we are taking subscri

ptions for a pipe line from N. L. Mc

Kee's to this place. Don't you think

it will succeed Mr. Editor?

Mr. R. P. Owsley has nearly com

pleted two miles of wire fence on the

Square.

Mr. W. B. Mason, after a severe at

tack of La Grippe, is out again visit

Many portions of nine Western

States were swept by storms, cyclones

and tornadoes Thursday night. Ne

braska, Kansas, Illinois, Iowa, Mis

souri, Colorado, Wisconsin, Texas

and Indiana suffered greatly. In

Kansas alone 50 people are known to

have been killed and injured. The

towns of New Haven, Towanda, Aug

usta and Smolen were wiped from

the face of the earth. Three other fa

talities are reported from Nebraska,

ten in Illinois and one or two in Mis

souri. These storms were predicted by

Forster for March 28 but arrived three

days later.

Deafness Can't Be Cured

by local applications, as they cannot

reach the diseased portion of the ear.

There is only one way to cure deaf

ness, and that is by constitutional

remedies. Deafness is caused by an

inflamed condition of the mucous

lining of the Eustachian Tube. When

this tube gets inflamed you have a

rumbling sound or imperfect hearing;

and when it is entirely closed, Deaf

ness is the result, and unless the in

flammation can be taken out and this

tube restored to its normal condition,

hearing will be destroyed forever;

nine cases out of ten are caused by

catarrh, which is nothing but an in

flamed condition of the mucous sur

faces.

We will give One Hundred Dollars

for any case of Deafness (caused by

catarrh) that we cannot cure by taking

Hall's Catarrh Cure. Send for circulars

free.

The poets cannot complain of not

getting a show in the April New

England Magazine. Allen Eastman

Cross writes a fine poem on Cardinal

Manning's humanity. Celia P.

Woolley contributes a descriptive po

em called "Storm Cloud." Gertrude

Christian Fiedick, the wife of J. W.

Fiedick the artist, has "The Smile of

Peace." Charles Gordon Rogers

writes a fine poem, "Retrospect."

Minna Irving, the Tarrytown poet

of the heart, is represented with a

good, stirring Revolutionary poem of a

solider who never came back, and James

G. Burnett gives the "Lesson of the

Years."

The Forum for April gives the po

sition of emphasis to a discussion of

"The Crisis of the Democratic Party,"

a group of three articles, by Congress

man William L. Wilson, of West Vir

ginia, who lays down a line of cam

paign for the presidential election;

by Frederick R. Coudert, the leader

of the anti-Hill Democrats in New

York, who explains the revolt against
